

Wimbledon Campus Map

This is the digital version of our campus map that you can use on your phone, alternatively you can take a picture of the large 'Welcome' map in reception.

How to use this map

Different types of space are colour coded - you'll find a key for each floor together with a small thumbnail plan to show which block you're in. All rooms are numbered - you'll find a key of which courses or staff teams use each room in the index after each block. Links have been added to take you to more information and resources about workshops and other spaces.

We hope you find the map useful and would love to get your feedback or any changes you spot so we can make improvements in the future.
